RE: 3rd Opioid Litigation Settlement Fund Distribution report

Deputy Attorney General Boffetti,

Since our last report dated 9/1/22 was filed, the Town of Derry has received an additional \$141,074.13 in Opioid Litigation Settlement Fund distributions. To date, the total of funds received is \$167,284.66. All funds received have been placed in the Town's separate expendable trust fund which as of 6/30/23, had a balance of \$168,190.17, interest earnings included.

To date, none of these funds have been spent on Opioid mitigation as outlined in RSA-A:86. We continue to develop a mediation plan with the Town's impacted departments and health partners. As soon as we can determine the amount of future funds that will become available, the plan can be finalized.

Please let me know if you have any questions or require additional information.

Sincerely,
